The Ambassador

Nepal

Your Excellency,

We are forwarding herewith a letter written by the chair of Transparency International to the Secretary General of OECD, expressing deep concern over the UK Government's decision to terminate investigation of alleged foreign bribery by BAE System Plc, Britain's largest defense contractor. This act of the UK, a OECD member state, has raised negative public reaction and concerns over the compliance and effectiveness of OECD Convention on Combating Bribery of Foreign Public Officials. In view of this, we urge you to initiate necessary action for the revival of the investigation and compliance of the OECD Convention.

Thanking you,

Sincerely yours,

Damodar P Gautam
President
