Publications available from Transparency International

TI Source Book 2000 Confronting Corruption: The Elements of a National Integrity System

Jeremy Pope, 2000 (3rd ed., completely revised and updated), 364 pp., ISBN 3-980 5657-8-5.

The *TI Source Book* is an indispensable guide to corruption and efforts to combat it. It has become a manual for anti-corruption practitioners and guardians of good practice in government and, increasingly, in the private sector. The first edition has been translated into more than 20 languages.

Combating Corruption: Building a National Integrity System (in Chinese)

The *TI Source Book* is now available in Chinese, translated by the Anti-Corruption Research Centre at the Public Management School in Tsinghua University, Beijing.

Combattre la corruption – enjeux et perspectives

Edited by Djilali Hadjadj, Editions Karthala, 2002, 360 pp., ISBN 2-84586-311-X.

This guide to confronting corruption is an adaptation of the leading anti-corruption reference work, the *TI Source Book*, to the socio-political and legislative environment of francophone Africa.

Global Corruption Report 2001

Edited by Robin Hodess, introduction by Peter Eigen, 314 pp., ISBN 3-935711-00-X.

The inaugural *Global Corruption Report* offers the first annual, systematic analysis of corruption across the world. The report includes assessments of every region in the world and key topics of global importance. It also brings together empirical findings from leading researchers on different aspects of corruption. The full text is available on the website www.globalcorruptionreport.org.

Corruption Fighters' Tool Kit: Civil society experiences and emerging strategies

In print and CD-ROM, published by Transparency International.

The *Corruption Fighters' Tool Kit*, first produced as an international edition in CD-ROM format in 2001, is a compendium of practical civil society anti-corruption experiences described in concrete terms and accessible language. It presents innovative anti-corruption tools developed and implemented by TI national chapters and other civil society organisations from around the world. Now available in print and CD-ROM.

TI Q

TI's quarterly newsletter, available in English, French and Spanish, highlights recent corruption scandals as well as reforms and initiatives worldwide to increase transparency and accountability. The newsletter also reports on the work of TI national chapters around the globe.

TI Annual Report

The *TI Annual Report*, available in English, French and Spanish, includes a summary of the most important anti-corruption events of the year, highlights the work of TI national chapters and describes the internal development of the global TI movement.
